SUMMARY

Results-driven Flutter Developer with a passion for creating dynamic and user-friendly mobile applications. Leveraging strong expertise in Dart programming and Flutter framework, I aim to contribute innovative solutions and enhance user experiences. Eager to apply my skills in a challenging development role that values creativity, teamwork, and continuous learning.

SKILLS

Expertise- Dart, Flutter, Java, Object-Oriented Programming(OOP), MySQL, Firebase, MongoDB, RESTful API, SQLite, Git

Soft Skills- Time Management, Teamwork, Problem-Solving, Communication, Clean Code

PROJECTS

Android Native   **Doctor Babu**   **Github Link**
Technology used - Java, Python, XML, Firebase, SQLite
Key Features-

- Doctor Babu facilitates online video call appointment scheduling and one-on-one communication between medical professionals and patients.

- Medications can be purchased online, e-prescriptions can be obtained, and alarms for medications can be set by users.

- This telemedicine app, aided by AI, diagnoses conditions based on the symptoms provided by the user.

- Real-time conversations with a doctor can be had by users using the AES(256-bit) encrypted chat module at any time and at no cost.

Android Native   **Chit Chat - Messaging App**   **Github Link**
Technology used - Java, Python, XML, Firebase
Key Features-

- Provides users with an end-to-end encrypted chat module for connecting with friends and family.

- Encrypts user messages using a hybrid approach that incorporates AES and RSA techniques.

- Users can add or remove friends from the friend list.

EDUCATION

1/2020 - 2/2024   **Bangladesh University of Business and Technology**   **University**
Bachelor of Science in Computer Science & Engineering

- **CGPA** - 3.58

- **Notable Courses-** Software Design Pattern, Object Oriented Programming Language, Distributed Database Management Systems, Cyber Security and Digital Forensic, Software Engineering, Database Systems, Artificial Intelligence, Data Structures and Algorithms

PROFESSIONAL TRAINING

2/2024 - 9/2024   **Ostad**   **Online Course**
App Development with Flutter
Duration- 7 months

LANGUAGES

English - B2+, **Bangla** - Native
